What a hectic start to the term!

Our Year 6 students thoroughly enjoyed their time at camp. They made many friends and particularly enjoyed the sessions facilitated by Chris Doyle. Our students are to be commended for their exemplary behaviour and joining in the spirit of camp.
Congratulations to the Pastor Family on becoming Australian Citizens last Friday. The Mayor was delighted with the number of people present in his office at Cabonne Council Chambers Molong.

We all enjoyed a great day at the Yeoval Show yesterday. All students are to be congratulated on their entries in various sections of the show. Many thanks to the team of parents who worked in the morning/afternoon tea shed. It was a profitable day.

**Student of the Week**

**Ben Vaughan**

For his enthusiasm towards all activities.

**Merit Certificates**

Congratulations to the following students who received Merit Certificates this week:

**Primary** — Duncan Job, Beau Peacock

- Toby Brown, Tyson Harvey, Anakin Bunning, Yasin Gamser

**Parent/Teacher Interviews**

Please remember that Parent/Teacher Interviews will be held next week. Attached to today’s newsletter is confirmation of an interview time if you have requested one.

**Lunch Orders** — Please find attached to today’s newsletter the Junior Joey’s Lunch Order form for Weeks 3 & 4.

**NAPLAN** — National Assessment Program – Literacy and Numeracy

All students in Years 3, 5, 7 & 9 across Australia will participate in the NAPLAN tests next Tuesday – Thursday. The tests will be conducted in the morning session when students work at their best. Even though these tests provide important information to us about each student’s academic progress, we do need to be conscious that there can be various factors that may contribute to a student’s results of a test on a given day.

**News from Infants**

We have enjoyed a busy start to Term 2! Lots of fun and learning is happening in our classroom. We enjoyed learning about Anzac Day through a variety of group activities from literacy based to craft to cooking. We used potatoes for stamping to create beautiful poppy artworks. We are learning about workers in our community and are finding all the different roles and responsibilities of everyone very interesting!

Kind regards

Glen Brown

Principal
